# CHAPTER 1226 Agricultural and Forestal Districts

EDITOR'S NOTE: Agricultural and Forestal Districts are districts which comprise adjoining parcels whose owners volunteer to have their land included in such districts in order to preserve agriculture and to deter subdivision development. #### 1226.01 PURPOSE.

It is hereby declared to be the policy of the County to conserve, protect and encourage the development and improvement of its agricultural and forestal lands for the production of food and other agricultural and forestal products. It is also the policy of the County to conserve and protect agricultural and forestal lands as valued natural and ecological resources which provide essential open spaces for clean air sheds, as well as for aesthetic purposes. It is the purpose of this chapter and the ordinances that are adopted pursuant to this chapter to provide a means by which agricultural and

forestal land may be protected and enhanced as a viable segment of the County's economy and as an economic and environmental resource of major importance, pursuant to Title 15.2, Chapter 43, of the Code of Virginia of 1950, as amended. (Ord. 98-01. Passed 3-18-98.)

#### 1226.02 EFFECT OF DISTRICTING.

- (a) All provisions of the County Zoning Code and Subdivision Regulations shall be applicable within all Agricultural and Forestal Districts, but only to the extent that such Code and Regulations are not in conflict with the purposes of Title 15.2, Chapter 43, of the Code of Virginia of 1950, as amended. All land use planning decisions, special exceptions, special use permits and variances affecting any parcel of land within or adjacent to a District shall take into account the existence of the District and the purposes and policies of this chapter and the ordinances that are adopted pursuant to this chapter. All subdivision of land within a District at a density greater than ten acres is hereby deemed to be in conflict with the purposes and policies established by this chapter and the ordinances that are adopted pursuant to this chapter, except that clustered development at three-acre density leaving eighty percent of the land in open space shall be permitted.
- (b) Land used in agricultural and forestal production within a District shall automatically qualify for an agricultural or forestal value assessment on such land pursuant to Sections 58.1-3229 et seq. of the Code of Virginia of 1950, as amended, if the requirements for such assessment contained therein are satisfied, whether or not the County Land Use Assessment Ordinance is in effect.
- (c) All other applicable provisions of Title 15.2, Chapter 43, of the Code of Virginia of 1950, as amended, are and shall be incorporated in this chapter and the ordinances that are adopted pursuant to this chapter and made a part of the same. (Ord. 98-01. Passed 3-18-98.)

## 1226.03 REVIEW OF DISTRICTS.

The Board of Supervisors shall review a District within stipulated periods, as set forth in the ordinances adopted pursuant to this chapter, in order to determine whether to terminate, modify or continue the District. The Board shall request the recommendations of the Planning Commission and the Agricultural and Forestal District Advisory Committee in conducting such review.

### 1226.04 DISCONTINUANCE OF ASSOCIATION IN DISTRICT.

(a) Any owner of land lying in a District may request, in writing, termination and withdrawal of his or her property in accordance with Section 15.2-4314 of the Code of Virginia of 1950, as amended. If denied favorable action by the Board of Supervisors, the landowner shall have an immediate right of appeal de novo to the Circuit Court. The termination of any owner's association in a District for any reason shall not in itself serve to terminate the existence of the District.

(b) Any heir at law or devisee of any owner of land lying within a District shall, as a matter of right, be entitled to withdraw from the District within two years of the death of the owner and upon written notice of withdrawal to the Board of Supervisors and the Commissioner of the Revenue.

When a District is reviewed by the Board of Supervisors pursuant to Section 1226.03, land within the District may be withdrawn by the filing of a written notice before the Board of Supervisors acts to continue, modify or terminate the District. (Adopting Ordinance; Ord. 98-01. Passed 3-18-98.)
